

School Success Plan
Hudson Middle School
2016-2017

Goal 1: To ensure delivery of a guaranteed and viable curriculum for all learners.

Current Reality

ELA

33% Proficient
38% Learning Gains
30% Gains Lowest Quartile

Math

36% Proficient
46% Learning Gains
35% Gains Lowest Quartile

Science

30% Proficient

Actions Steps

1. Lesson plans, authentic common assessments, PLC discussions regarding student performance and building student capacity for standard mastery
2. Pervasive understanding of the Instructional Framework which guides intentional planning and the delivery of deliberate instruction. Reinforced through PLC work.

Monitoring

1. Walkthroughs, student performance data reviews and teacher evaluations
2. Student assessment data will be reviewed to determine effectiveness of and alignment of assessments to standards.

Goal 2: Create an environment that utilizes Positive Behavior Support strategies that will increase student attendance and engagement while decreasing incidence that necessitate disciplinary consequences.

Current Reality

Attendance below 90%

21%

Three or more referrals

18%

Actions Steps

1. Provide refresher on the MTSS philosophy and practice. This should also outline and support with strategies to use to increase student engagement - alignment with SB850.

Monitoring

Classroom walkthroughs will be conducted to determine if training was effective in building positive relationships and interventions to address behaviors that create opportunities for increased
